

CHRISTMAS COUNTDOWN WORKSHOP

With Lora Wall

Class description:

I am very happy to unveil my next workshop!

This is a 2 part class (8 pages in all)

Part 1: Countdown to December 2 page layout with 24 flip flaps! These 2 pages were created so that EACH DAY IN DECEMBER you can take a picture of your December happenings and a spot for journaling that day. This way you can't have a fun little walk through your December fun!

This class will take place October 30th @ 6:30

40.00

Class 2 is for December 25th, or your longer Christmas stories. To add everything else to create the last 6 pages, you will only need to add 20.00. That's 2 classes for 60.00!!!

Class 2 is November 20th @ 5:30
